

INVESCO *ASIA*

PRESENTATION

Уважаемые господа,

Данным письмом хотим представить Вам ТОО «InvescoAsia». Наша компания является эксклюзивным дистрибьютером на рынке Республики Казахстан ряда турецких производителей строительных материалов, предназначенных для таких крупных ритейлеров, каковыми Вы являетесь. Со своей стороны мы гарантируем соотношение высокого качества и выгодных цен. Наши товары ранее не были представлены на рынке Казахстана, так как не многие подрядчики имеют возможность реализовать материалы такого качества по выгодным для клиента расценкам. В связи с этим, просим вас рассмотреть возможность встречи представителей наших компаний в ближайшее время для обсуждения данного предложения. В случае вашего согласия, просим предоставить контакты для организации данной встречи, на которой мы более подробно представим нашу продукцию и ответим на все ваши вопросы.

С уважением,
Председатель правления
LLP "Invesco Asia"

Dear Sirs,

By this letter we would like to present you Invesco Asia LLP. Our company is the exclusive distributor of a number of Turkish manufacturers of building materials on the market of the Republic of Kazakhstan. From our part, we guarantee a ratio of high quality and favorable wholesale prices. Our products have not previously been presented on the Kazakhstan market, as not many contractors have the opportunity to sell materials of such quality at favorable rates for the client. If you are interested, we ask you to consider the possibility of our companies' representatives meeting in the nearest future to discuss this proposal. In case of your consent, we ask to provide contacts for the organization of this meeting, at which we will present our products in more detail and answer all your question

Respectfully Yours,
Head of Representative Office
LLP "Invesco Asia"

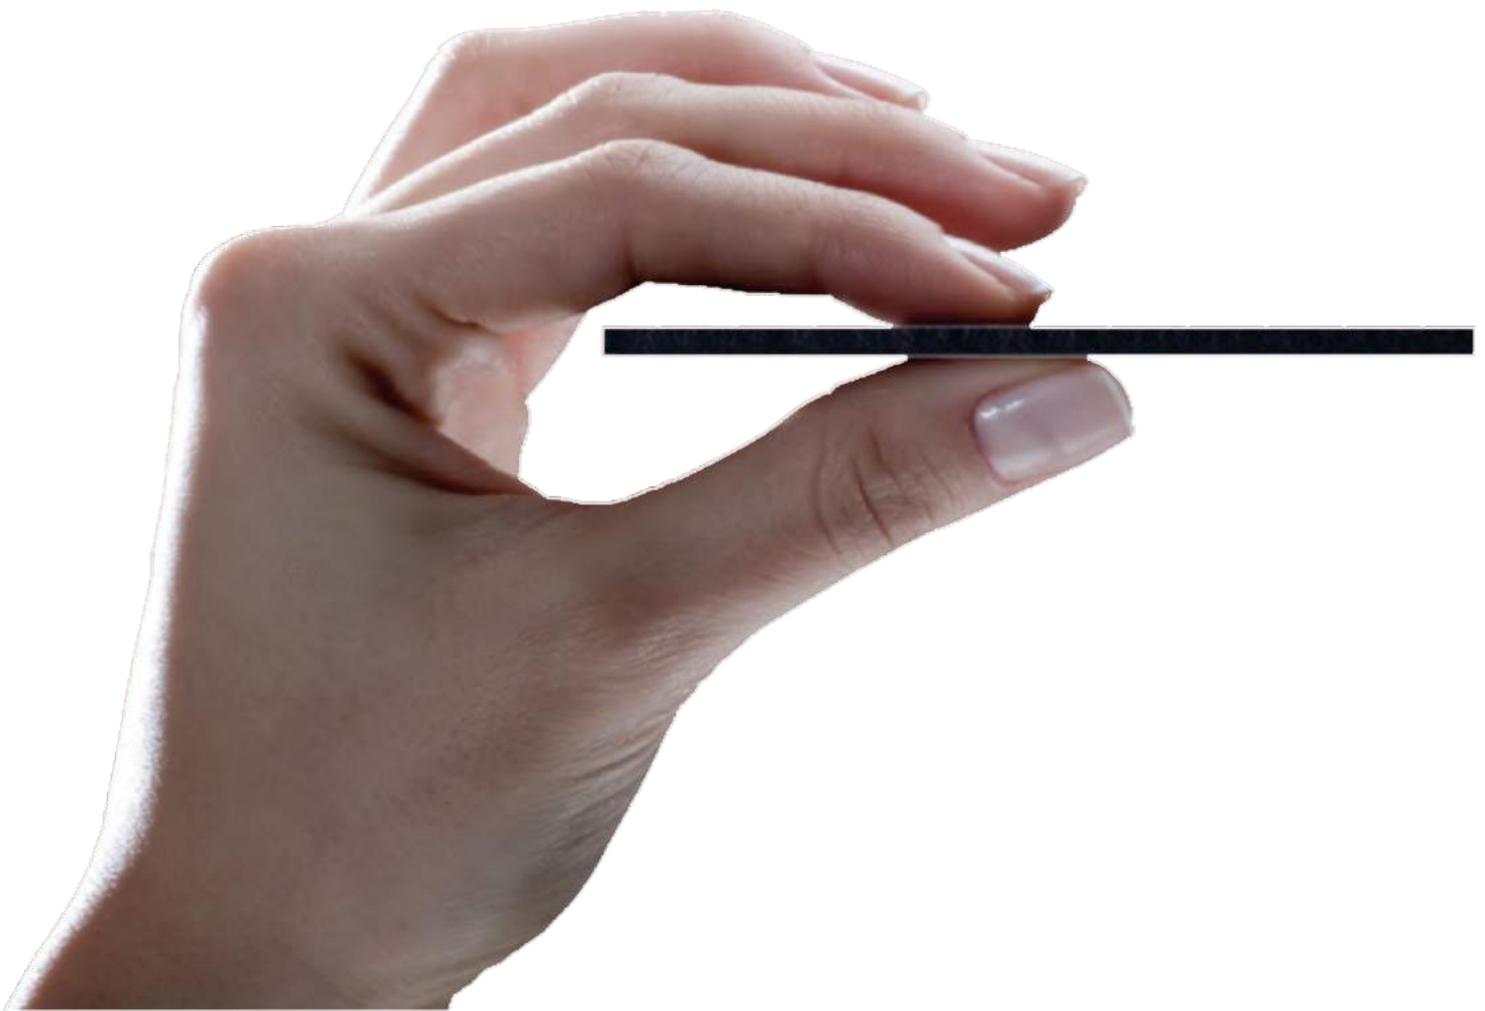

Керамическая плитка

Производственные помещения общей площадью 18 млн квадратных метров, разместившиеся более чем на 50 га земли. Первый среди лидеров отрасли производства фарфоровой плитки.
